Summary

After 5 months serving as a reserved soldier in the 'Haravot Barzel' war, I am eager to start my career as a front-end developer. Since High school, I have been passionate about solving problems using logical thinking and coding.
I graduated from Fullstack Development Bootcamp; I am excited to bring my newly acquired skills and knowledge to a **junior Fullstack development position**.

Projects

- **Harmony** – Music app that showcases the top 10 songs in Hebrew and Arabic.
    - Worked with **Vite**, **Redux Toolkit**, **Rtk query**
    - Worked with **Git & GitHub**, **Figma**
    - Exposed **OpenAI API**
    - **Demo**, **Code**
- **iWannaPlay** – React web application for gamers who want to find new teammates in F2P games.
    - Worked with **React** and **NodeJS**
    - Worked with **MongoDB** and **Mongoose**
    - Exposed registration and authorization service
    - **Demo**, **Code**

Work Experience

- **May 2023 – July 2023 Internship as a Fullstack developer, Makes Innovation Hub**
    - Experienced in Frontend and Backend development using technologies like **Git, GitHub, Figma, Vite, NodeJS, Redux, Auth0, i18n, and scrapping.**
    - Collaborated effectively within a team of developers using agile methodologies: **sprints, demo presentations, and daily meetings**, fostering open communication and ensuring timely delivery of project milestones.

- 2020-2022 **–** Truck Driver, Shlomo Group.

Education

- **December 2022-July 2023 Fullstack Developer Bootcamp, Appleseeds.**
    - Intensive 6-month, 720-hour training program focusing on self-led learning and group projects mirroring real-world development teams.
    - Acquired expertise in front-end technologies such as **HTML, CSS, JavaScript, React,** and back-end skills, including **Node.js** and **MongoDB**.

- 2008-2011 Yoana Jabotinsky High School, Beer-Yaakov. Majoring in **Computer and Physics**.

Military Service

- 2015-2017 Driver instructor at Transport battalion, "Atal".
- 2011-2015 Truck driver at logistical unit.

Professional Skills

- Proficient knowledge of **JavaScript, NodeJS, HTML, CSS,** and **React.**
- Also familiar with **Git, GitHub, Vite, Express, Mongoose, Redux, OpenAI API, Auth0, Bash, Figma, Styled Components, i18n, Photoshop.**
- Databases: **MongoDB.**

Languages

- **Hebrew** – Native | **English** – Fluent | **Ukrainian** – Native | **Russian** - Native
